Orin Rockwell Dies In Salt Lake City

Remains to Be Brought to Lehi Where Funeral Services Will Be Held This Afternoon.

Orin Rockwell, whose illness is spoken of in another part of this issue, died at the hospital in Salt Lake City Wednesday morning. His remains will be brought to Lehi today at noon and funeral services will be held at 2 o'clock p. m., probably in the Tabernacle. Short services will be held in the undertaking parlors in Salt Lake City, prior to coming down to Lehi, in order to accommodate the many friends in Salt Lake City.

Mr. Rockwell was born in Council Bluffs, Missouri, October 9, 1836. He has been a leading stockman, also in the mining business. His wife, who was Miss Sarah J. Mantle, died sixteen years ago.

His children who survive are Horace of Battle Mountain, Nevada, Mrs. Luane Jones of American Fork, Meritt Rockwell of Elko, Nevada, Mrs. Ida Jordan and Mrs. Nina Hansen of Salt Lake City.

M. W. Ingals Critically Ill

The many friends of Mr. M. W. Ingals will be pained to learn of his serious illness. Two weeks ago his hand was caught in a circular saw and several of his fingers nearly cut off. The wounded hand is mending nicely, but last Saturday while eating some grapes he noticed a decided rigidity of his lower jaw and the pain passing down his back. Since that the pain in his back has increased and Thursday his family were very much alarmed over his condition. Dr. Steele of Salt Lake City, was brought in for consultation with his family physician, Frank Ingalls came up from Payson and a trained nurse was secured from Salt Lake City.

Yesterday Mr. Ingals' condition was very much improved and his symptoms were reported favorable by the attending physician, and hopes are growing for his recovery.

Salt Lakers Dry Farming Near Lehi

Mr. Mansfield Snow and his sister, Mrs. Virginia Stevens, of Salt Lake City, were in Lehi Sunday and drove over to the district near the mouth of Clark's canyon in the Lake mountains, where Mrs. Stevens will file on a 320-acre Smoot homestead. Mrs. Stevens is a teacher in the State University.

Mr. Snow has just completed planting 43 acres of dry farm wheat on a Smoot homestead on the divide between Utah and Cedar Valleys. He has a man putting a rock and cement dam in the big hollow which comes down from Tickville and the West canyon, where he intends constructing a reservoir for domestic purposes, and possibly for the purpose of impounding enough water to irrigate forty acres of his dry farm.

REBECCA LODGE ELECT OFFICERS

At the annual election of the Ivey Rebecca Lodge, held Thursday evening, the following officers were elected:

Mrs. W. C. Ernst—Noble Grand, Mrs. Alice Tucker—Vice Grand,

Miss Nympha Whalley—Secretary, Mrs. Mary Otterson—Treasurer. The Grand Officer of the I. O. O. F. will visit the Lehi Lodge at their regular meeting Saturday, December 12th.

THE SICK

Mrs. B. Y. Mulliner continues to grow weaker and is now confined to her bed most of the time. Her ailment is heart trouble.

The baby of Mr. and Mrs. H. M. Royle suffered a severe attack of bronchitis this week, but is now much improved.

Mrs. Lizzie Jacobs, who broke her hip several weeks ago, will have improved sufficiently in another week to have the plaster cast removed.

Grant Larson, suffering with dropsy, now requires some one to sit up with him all the time.

SCHOOL NOTES

The students are working hard to gain places on the debating team this year. The tryouts will be held December 10th. The question is, "Resolved: That the United States should substantially increase its naval and military strength." Much interest is manifested, especially in the Junior and Senior classes.

The music class is working hard on the opera which the students, under the direction of Mr. Robinson, will soon put on. The opera, "A Nautical Knot," is very popular in other schools that have put it on, and should be a great drawing card in Lehi.

Nearly every High School student attended the University play, "The Pillars of Society," Wednesday night.

Mr. Milford, a Junior of the Spanish Fork High School, was a High School visitor Monday.

The German C. class received two new text books Monday, "Der Zerkbrochene," by Zschokke, and "Das edle Blut," by Wildmbruch. They have just finished "Hoher alside Kirche."

The Senior class debated the question, "Resolved: That allowances or pensions should be paid from public funds to needy mothers of dependent minor children," Tuesday morning in English class.

Another of the class series of basket ball was played Tuesday afternoon between Freshies and Juniors. The first half of the game was rather slow, but the boys picked up in the second. The Juniors were in the lead throughout the game until the last few minutes, when the Freshies made a dash and came out victorious. At the end of the second half the score stood 10-21 in favor of Freshies.

The Seniors and Juniors played Thursday, Juniors won—"Nuf sed." Never mind Seniors, we all know you have only four boys that can play ball.

Junior: Say Fresh, what is Chlorophyll?
Fresh: Don't you know that? It's the stuff you were made out of the first year you were in High School.
Junior, to himself: "Hum, wiser than I thought."

ONE SPOONFUL GIVES ASTONISHING RESULTS

Lehi residents are astonished at the QUICK results from the simple mixture of buckthorn bark, glycerine, etc., known as Adler-Lika. This remedy acts on both upper and lower bowel and is so THOROUGH a bowel cleanser that it is used successfully in appendicitis. ONE SPOONFUL of Adler-Lika relieves almost ANY CASE of constipation, sour or gassy stomach. ONE MINUTE after you take it, the gases rumble and pass out. H. B. Merrihew, druggist, Lehi. The American Fork Drug Co. report great success.

NOTICE TO WATER USERS

State Engineer's Office,
Salt Lake City, Utah, November 12, 1914.

Notice is hereby given that W. F. Gurney, et. al., whose postoffice address is Lehi, Utah, have made application in accordance with the requirements of the Compiled Laws of Utah, 1907, as amended by the Session Laws of Utah, 1909 and 1911, to appropriate twenty (20) cubic feet of water per second from American Fork and Deer creeks, Utah County, Utah. Seventeen (17) cubic-feet per second of said water will be diverted from American Fork Creek, at a point which bears south 27 degrees 47 minutes 54 seconds east 1,727.8 feet distant from United States Mineral Monument No. 4, American Fork Mining District, and conveyed by means of a wooden stave pipe for a distance of 18,000 feet, to a reservoir embraced approximately in Section 18, township 4 south, Range 3 east, Salt Lake base and meridian. Three (3) cubic-feet per second of said water will be diverted from Deer Creek, at a point which bears south 57 degrees 13 minutes west 21,301 feet from the aforesaid Mineral Monument, and conveyed by means of a wooden stave pipe for a distance of 6,000 feet, to the reservoir above described. The com-

mingled water will be diverted from the reservoir, at a point which bears south 49 degrees 43 minutes west 16,614 feet distant from said Mineral Monument No. 4, and conveyed by means of a pipe line for a distance of 7,542 feet and there used from January 1 to December 31, inclusive, of each year, to generate power for the purpose of electric lighting and propelling machinery at various cities and towns in Utah. In addition to the quantity of water above specified, applicant intends to store five hundred (500) acre-feet of water in the reservoir above described. Said water will be diverted from the creeks named, whenever available, during the period from March 1 to June 30, inclusive, of each year. The water so stored will be released from the reservoir, at the point above described, and conveyed for a distance of 7,542 feet, and there used whenever needed in connection with the twenty (20) cubic-feet of water per second above specified and for the purpose stated. After having been so diverted and used, the water will be returned to the natural channel of American Fork Creek, at a point which bears south 27 degrees 56 minutes west 20,840 feet distant from the aforesaid Mineral Monument. This application is designated in the State Engineer's office as No. 5823.

All protests against the granting of said application, stating the reasons therefor, must be made by affidavit in duplicate, accompanied by a fee of \$2.50, and filed in this office within thirty (30) days after the completion of the publication of this notice.

W. D. BEERS,
State Engineer.
